## Port of Corpus Christi launches planning department, names director

CORPUS CHRISTI, Texas — The Port of Corpus Christi has established a formal planning department and welcomed **Jeffrey Pollack** as its director of planning. Pollack specializes in managing urban and industrial growth in coastal zones and brings significant expertise in land use and multimodal transportation planning.

For more information, visit [www.portofcc.com](http://www.portofcc.com) or call (800) 580-7110.

## San Jacinto College's Hoelewyn excels, breaks glass ceiling

HOUSTON — San Jacinto College graduate **Jean Hoelewyn** recently made history as Silver Eagle Distributors' first female diesel technician.

Hoelewyn graduated with honors in 2016 with her diesel technology certification. Even while attending San Jacinto,

Hoelewyn was already working in the industry, but a call from Silver Eagle Distributors, the nation's largest distributor of Anheuser-Busch products, would change her life.

As a T3 diesel technician, Hoelewyn services heavy-duty vehicles like 18-wheelers daily, performing inspections and looking for anything that could be a potential issue.

For more information, visit [www.sanjac.edu](http://www.sanjac.edu) or call (281) 998-6150.

## StoneAge welcomes new training director

DURANGO, Colo. — StoneAge has welcomed **Steve Williams** as its new training director. Based in Salisbury, Wiltshire, in the United Kingdom, Williams will focus on developing StoneAge's global safety education and training program. He complements the StoneAge team with a wealth of training experience in the waterblasting industry.
