BRAND SAFWAY

At Work For You®

Specialty Services At Work for You[®]

Refractory Services

Servicing heaters, furnaces, reformers, SRUs, and FCCUs in industrial facilities.

Diamond Thermal Systems™ Heat Tracing

Design and install heat trace systems to maintain temperatures and protect pipes and equipment from freezing.

IRATA Certified Rope Access Expertise

Access hard-to-reach areas with minimal disruption due to smaller footprint and our highly trained teams.

BrandTech® Stud Welding & Anchoring Systems

Cutting edge technology to save time and reduce costs.

Platinum Concrete & Masonry Restoration™

Turnkey solutions producing long-lasting results, with a focus on structural integrity and improving safety.

Fireproofing Services

Skilled and certified specialists offering both cementitious and intumescent fireproofing applications.

LDAR™ Leak Detection & Repair

Technical expertise to meet compliance requirements for fugitive emissions monitoring.

MATCOR Cathodic Protection

Prevent corrosion and extend the life of all major infrastructure assets.
