Let BrandSafway help you access new heights.

With more than 100 years of access and scaffold experience and our advanced planning, engineering and project management expertise, you can be sure BrandSafway will deliver your project on time and on budget.

QuikDeck® Suspended Access System
Provides factory-like working conditions. Built-in air as or above the working area makes everything easily handled by any person. Requires no special skills or tools. Can be marked for and located to reduce equipment costs.

Aluma Systems Forming & Shoring
Delivers the broadest range of concrete forming and shoring solutions, including wall, slab and climbing formwork, shoring systems and edge protection. Aluma has improved on-site productivity 38% and reduced pour cycles 40%, so you can build, faster, safer and smarter.

SafCar® Personnel Hoists
Lifting speeds up to 298 feet per minute. Transport as much as 8,000 pounds. Available in variety of configurations (including dual car capability on one fixed mast). Counterweighted and non-counterweighted designs, variable frequency drives (VFD) and wide-opening gates.

Spider® Powered Suspended Access Solutions
The clear leader in powered suspended access solutions. Traction and drum material hoists, work cages and baskets, modular work platforms, rigging equipment, and fall protection systems.

SafTran® Transport Platforms
For structures up to 150 feet high. Move crews and materials with lifting speeds of 200 feet per minute. Variety of configurations and wide-opening gates ease handling of large, heavy material. Available in single- and double-mast installations. Designated operator not required.

HAKITEC® 750 Protection Systems – Temporary roofs, shelters and buildings
Protect assets, equipment and structures across a barrier from the weather. Safe, quick assembly, high occupancy, reusable components. Covers large, wide, uninterrupted spans and fits over any square area, including circular, oval and polygonal structures.

SafRise® Mast Climbers
For all building facades. Combustion or electric-powered. Lifting speeds up to 28 feet per minute. Heights up to 500 feet. Lifting capability up to 10,000 pounds. Turnkey installation services available.

Building Maintenance Units
Engineered to give access to the outside façades of tall buildings for maintenance purposes which includes, replacing glass panels, window cleaning, repairs and inspections.

With a commitment to safety as its foremost value, BrandSafway provides the broadest range of solutions with the greatest depth of expertise to the industrial, commercial and infrastructure markets. Through a network of 350 strategic locations across 30 countries and more than 38,000 employees, BrandSafway delivers a full range of forming, shoring, scaffolding, work access and industrial service solutions.

Your city is unique. BrandSafway is your local expert with the broadest range of products and services and the greatest depth of expertise.

**Suspended Work Access**
- QuikDeck® and QuikShield® Suspended Access Systems
- Spider® Powered Suspended Access Solutions

**Supported Scaffold**
- Systems™ Scaffold
- SafTrak® Frame System
- CupLok® Scaffold
- WACO® Frame Scaffold
- Frame & Ladder
- Tube & Clamp
- HAKI® Mobile & Stationary Platforms

**Motorized Work Access**
- SafTrak® Transport Platforms
- SafCar® Personnel Hoists
- SafWalk® Rent Walkways

**Protection**
- HAKI® Weather Protection
- Edge Protection
- Sidewalk Canopies
- Hoisting

**Forming & Shoring**
- Aluma Systems
- Wall Formwork
- Slab Formwork
- Climbing Formwork
- Monolithic Formwork
- Shoring Solutions

**Other Services**
- Coatings
- Insulation
- Fireproofing
- Firestopping

**Labor & Project Management**

**Design & Engineering**

**Safety & Training**

---

**POWERED SUSPENDED ACCESS SOLUTIONS**
Industry-leading Spider® solutions including work platforms and cages.

**SUSPENDED ACCESS SYSTEM**
Patented QuikDeck® Suspended Access System improves safety and productivity.

**FORMING & SHORING**
Broader range of concrete forming and shoring solutions.

**SUPPORTED SCAFFOLDING**
Widest array of scaffolding products and brands, and the largest inventory.

---

**Largest inventory, local project management and better solutions**
BrandSafway has the largest equipment inventory available for purchase or rent at thousands of locations, more service centers, the industry’s largest inventory, more local project management, local labor and all the products, services and materials you need — when and where you need them.
