Span large, vast areas

Mobile or stationary systems available for commercial construction and refurbishment — from airports and churches to theatres and leisure facilities — as well as for industrial jobsites.

**BRAND** SAFWAY™

At Work For You™

# Keep facilities open and in use during construction

## › Lightweight, strong and flexible

- › Modular components and unique lacing/bracing system for quick and safe installation and dismantle.
- › Lightweight aluminum trusses provide great strength in relation to weight.
- › Available for purchase or lease.
- › BrandSafway is a nationwide distributor of HAKI® products in North America.

Productivity takes flight in Atlanta with HAKISPAN 750

*“This is a very congested area with a constant flow of foot traffic. It had to be free span, and the HAKI® system was the answer.”*

– General Superintendent, International Airport, Atlanta, Georgia

BrandSafway provides the widest range of access and industrial services and solutions in the industry.
