

The industry's first battery-powered hoist

SPIDER® SC1000 VOYAGER™ HOIST

OWN YOUR POWER

With the Spider SC1000 Voyager battery-powered hoist from BrandSafway, you can GO ANYWHERE, any time.

No need to run power cables, call an electrician or rent a generator. No productivity loss or extra service calls due to unreliable power. The SC1000 Voyager will change the way you work.

Save Time and Money

- › Set up a stage and be working in minutes
- › Move stage at any time. No relocating power cables
- › No need to call an electrician or rent a generator
- › No loss of productivity due to unreliable power
- › Minimized service calls and reduced maintenance
