

YOUR STADIUM AND ARENA ACCESS ADVANTAGE

BrandSafway is your Top Specialty Contractor for Every Phase of the Project Life Cycle.

With a commitment to safety as its foremost value, BrandSafway delivers a full range of integrated products and solutions for any stadium construction project, including flexible access solutions to keep your stadium operational during construction, concrete restoration, insulation services, and critical infrastructure support, with an unmatched service from an expert workforce and a broad, global branch network.

Achieve speed, quality and cost efficiency with an all-in-one provider

Access Solutions

Forming & Shoring

Specialty Services

STADIUM JOBSITE SOLUTIONS

Construction & Maintenance

Achieve **speed, quality, and cost efficiency** with an **All-In-One** provider:

Safe Access

- › Providing patented SafMax®, SafLock® and Flex-Deck™ Systems
- › Utilizing proprietary digital tools such as SmartTag™
 - Geo-tracking tech for ultimate traceability and loss prevention

QuikDeck® Suspended Access System

- › Providing safe access platforms for interior work including MEP, lighting, ceilings and fixtures
- › Supporting concourse renovations, premium seating upgrades, lighting replacements and phased renovations during active venue operations with the ability to work above and below simultaneously

Forming & Shoring

- › Providing advanced and customizable formwork systems
- › Supporting concrete structures including post-tension decks, shear walls and parking structures

Concrete Restoration

- › Repairing of slabs, parking structures, concourses, loading areas and surfaces
- › Providing FRP wrapping and column jacketing for seismic retrofits

Insulated Metal Panels

- › Providing façade and exterior envelope access for prefab cladding system that reduces time and resists corrosion
- › Applying glazing, flashing and joint-sealant replacement on stadium and arena structures to halt water intrusion

Insulation

- › Boosting HVAC efficiency, acoustic performance and temperature control across all mechanical infrastructure
- › Re-insulating HVAC ductwork, air-handling units, and overhead MEP systems during venue expansions

BrandSafway is your top specialty contractor for every phase of the project life cycle.
