

# SafRise® Mast Climber (MCWP) Information Sheet

BrandSafway is a full-service scaffold and vertical access company. As our valued customer, you'll receive complete turnkey service, engineering support, and safety and operations training. Our extensive, state-of-the-art fleet ensures that your ideal mast climber will be onsite when you need it.

#### Features & Benefits:

- Variety of platform configurations ensures the efficient transport of crews, materials and tools
- Wide range of lifting capacities up to 8,000 lbs.
- Maximum height of 550 ft.
- Ease of operation allows all personnel to safely use MCWP with minimum training
- Gas- and electric-powered units available
- Safety features provide a secure environment
- Trained crews ensure quick and safe installation to help create a fully operational jobsite
- Lifting speed of 39 ft. per minute ensures timely vertical access
- 2,500 lb. and 4,000 lb. cranes help move materials onto a platform
- Free standing up to 45 ft., which eliminates the need for ties to structure

#### Applications:

- Brick masonry
- Glazers/curtain walls
- Stucco
- Exterior Insulation Finishing System (EIFS)
- Concrete
- Metal framing

#### Compliance Code:

ANSI/SIA A92.9-2011

With a commitment to safety as its foremost value, BrandSafway was created when Brand Energy and Infrastructure Services and Safway Group combined in 2017. BrandSafway is a portfolio company of Clayton, Dubilier & Rice.
