

# SafCar® Personnel Hoist (Rack & Pinion Construction Hoist) Information Sheet

BrandSafway is a full-service scaffold and vertical access company. You'll receive complete turnkey service, engineering support, and safety and operations training. Our extensive, state-of-the-art fleet ensures the ideal construction hoist will be onsite when you need it.

#### Features & Benefits:

- Lifting speed of 175 ft. per minute ensures timely vertical access on any structure
- Single car efficiently moves 6,000 lbs. of material or 30 personnel
- Dual car capability on one fixed mast doubles the capacity and increases productivity
- Non-counterweighted design eliminates wire rope and catheads, increasing reliability and safety
- Cars are fully enclosed for user safety
- Advanced Variable Frequency (AVF) drive ensures smoother, quieter ride and accurate leveling
- Jobsite safety is enhanced through:
  - Electronic control and limit switches
  - Interlocking gates
  - Disc brakes and safety over-speed governor
- Complete "turnkey" service includes:
  - Installation
  - Supervision
  - Safety/operations training

#### Applications:

- Designed for high-rise structures
- General contractors providing vertical jobsite access to all trades and subcontractors

#### Compliance Code:

ANSI/ASSE A10.4-2007  
OSHA 1926.552

With a commitment to safety as its foremost value, BrandSafway was created when Brand Energy and Infrastructure Services and Safway Group combined in 2017. BrandSafway is a portfolio company of Clayton, Dubilier & Rice.
