

SafTran[®] TPS Transport Platform

Safe, Low-Rise Access

A highly adaptable work platform
for handling almost all materials.

SafTran[®]
BY BRAND SAFWAY

BRAND SAFWAY[™]

At Work For You[™]

› Increase productivity with ease of use and a 5,000-pound capacity.

Large cabin and high capacity allow for transport of heavy building materials.

Ideal for contractors who need dedicated vertical site access for their own crews and materials. Designated operator not required.
